*** Selection 100% on an all Island Merit Basis** **# Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :

Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.

*** Selection 100% on an all Island Merit Basis** **# Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :
Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.

*** Selection 100% on an all Island Merit Basis** **# Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :
Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.

*** Selection 100% on an all Island Merit Basis # Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :
Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.

*** Selection 100% on an all Island Merit Basis** **# Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :
Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.

*** Selection 100% on an all Island Merit Basis** **# Courses of Study for which the subject oriented Practical Tests / Aptitude Tests were conducted.**

NQC - No Qualified Candidates. This may be due to the following reasons.

1. District quota for a given course of study in a given district has already been filled by the students of that district.
2. Number of places in a given course of study in a given university has already been filled by the students with higher Z-scores from other districts.
3. No candidates who have satisfied the minimum requirements for admission for a given course of study from that district.

Note :
Certain courses of study are not conducted in all three languages. Therefore some students may not get selected to such courses of study in some universities, even though they have obtained the minimum Z-score required to get selected.
